With the great captaining of **Elaine Wong** and **Amanda Yang** and the helpful coaching of **Amanda** and **Linda Yang**, the ladies were able to champion over the opposing teams and host beautiful brunches afterwards.

SBTC JUNIORS FINISH TOP OF LEAGUE!

After a rainy start to the season, the Junior programs started to pick up steam. Our after-school programs will be coming to an end June 30th. We had many new participants this year, a great display of how strong our Junior program is!

We should be very proud of the work done by many folk, from **Sharon Arnold**, our Club Pro, to all the instructors, who continuously encourage the Juniors to improve, and identify those players who can benefit from competitive play at STF or Junior House League.

- **The Junior STF league has come to an end.** This year, we fielded 3 teams. We have a bit of a bolus of younger participants (U-12) which meant that many of them needed to play up. All in all, we should be very proud of all their efforts on the courts. **Scarborough Bluff's 1 finished at top the league!** Congrats to them, while the other 2 teams (Scarborough Bluff's 2 & 3) were competitive throughout the season.
- **There has been 2 STF JR Tournaments.** We had many Juniors take part. In the Tournament that took place on June 24, **Colin Steinmetz** won the *U-18 combined*, **Maia Duong** was *U-12 Girls Champion*, **Max Braunstein** was *U-12 Boys Semi Finalist*.
- **We also had the Junior Wimbledon Tournament on June 25.** Once again, we had amazing participation by our Junior players. We had close to 30 participants made up of STF Juniors, afterschool program Juniors, as well as, our Saturday lessons. In typical Wimbledon fashion, rain made its appearance just prior to the celebrations. I would like to personally thank **Sharon, Meharab, Madison** and **Jonathan** for their hard work. Thanks to **Steve** and **Thi** for their continued support during the social portion of the tournament. A special thank you to **Max's mom** for her huge help during the festivities. Players were dressed in whites and played with white balls. They ate a splendid lunch of Shepherd's Pie, Bangers and Mash and Strawberries and Cream. Delish!

We have a few more Junior events coming this summer. The dates may move due to holidays and participation. We will communicate with the membership to provide ample notice.

Our full day summer camp will be starting on July 4 at 9am. There are still spots available for a few weeks. If you are looking for a great camp where kids will learn about tennis in a progressive fashion, then please reach out to **Sharon Arnold** at rarnold000@sympatico.ca or go to our webpage for more information.

If you have any concerns or comments about our junior programs, please do not hesitate to reach out directly to me at: junior@sbtennis.org.
