Letter from the President

Dear SBTC Members,

In this, my first letter as the newly elected President of the Scarborough Bluffs Tennis Club, I'd like to start by expressing how grateful I am for the opportunity to serve on your 2020 executive committee. I look forward to doing my best to help address our club's administrative needs, with the primary focus on providing the opportunity for all of you to maximally enjoy our courts.

I would like to thank the outgoing executive members for their service over the 2019 season. Special thank you to Kristian Gravelle who, while manning the president's post for 2 years, consistently set a great example through his steadfast leadership. He will continue to provide input and guidance through his seat as Past President on next year's committee.

Big thank you to all the volunteers who contributed in a huge way throughout the year. It is due to all your hard work often behind-the-scenes that we have such a well-respected, well-enjoyed club, proudly representing our scenic Scarborough Bluffs district through the sport of tennis.

The taking down of the nets at the end of October officially brought an end to the season at our club, but many of you will no doubt find ways to enjoy the sport through the winter.

This year we have partnered with the OTA who through a government grant were able to provide a series of free clinics in November through a program called "Green Means Go". I encourage all of you to take advantage of this if you can. Details and comments below:

Lysa S.: "I thought it was great and would definitely go again! I can't believe more people at the club don't want to take advantage of it."

Frances M.: "Thoroughly enjoyed the clinic and would definitely take advantage again... I was surprised more players did not enrol."

Have a wonderful off season, Happy Holidays, and see you in the New Year!

- Kevin Im
