Dear Members,

First and foremost, we hope that this email finds you and your family well. It goes without saying that we are living through an unprecedented and concerning time.

As you are aware, to help slow the rate of COVID-19 infection, the City of Toronto has declared an emergency and cancelled all non-essential services, including most City-operated programs. The City has also closed a number of facilities, including City-run tennis courts like our Scarborough Bluffs Tennis Club.

This closure means that our events and programs will be delayed until further notice. Our Opening Day is cancelled. Clean Up Day will be postponed.

We'd like to thank all those members who have taken time to register for our 2020 season and various programming. We are continually monitoring the situation. We are still hopeful to have some sort of a season and we will provide details as they become available. Reimbursement for all fees paid including pro-ration of membership fees will be processed once further direction becomes available from the City of Toronto.

Summer Camp, however, has unfortunately been cancelled.

We will notify you with regards to any updates to our season. Please also visit our website for further information. If you have any questions or concerns, please don't hesitate to reach out to us.

All the best during these times of uncertainty. Know that if we all work together, we will get through this safely. Remember to practice the key things here:

Self-isolation, social distancing, frequent hand-washing, not touching your face.

Stay healthy by eating well, drinking water, staying active (if well) and getting enough rest.

Regards,

SBTC Executive
